Farmers Choice Grower Rewards Program

We at Farmers Choice value and appreciate every single one of our customers. We recognize your dedication & loyalty to Farmers Choice, and we would like to reward our customers for their continued support.

We are offering an all-inclusive trip for you and 1 adult aboard the Celebrity Summit for a 5 night, 6 day Getaway Cruise. This trip will take place January 10 -16th, 2026. You will receive an \$1,000 airfare voucher, all-inclusive food and drinks, and an ocean view room with private balcony. Spend three days at sea and at two ports in the Bahamas, the beautiful Nassau and Bimini.

This trip is meant for you and your guest to relax and unwind. There will be no business-related sessions for you to attend. Our growers work tirelessly throughout the growing season, and we would like to offer you a stress free, work free, serene vacation.

In order to qualify for this trip, you must achieve 25,000 points from 12/1/24 to 9/30/25. For every \$100 you spend, you will receive 8 points. If you achieve 25,000 points and choose to decline the trip, your points will qualify for a \$3,000 credit to your account the following production year. Points will continue to accumulate over consecutive years, however they will expire after three years. Growers that acquire less points will be offered a \$1,500 credit the following production year if they reach 12,500 points in three years.

You qualify for points by purchasing the following products from Farmers Choice:
